- Continuing to invest in the City's infrastructure;
- Building a culture of continuous improvement for the Corporation through Lean initiatives;
- Implementing the Waterfront Plan;
- Setting funds aside in a Social Housing Regeneration Reserve earmarked for social housing units;
- Marketing and promoting Cornwall through Economic Development and Tourism initiatives;

Long Term Debt

(excluding Water and Wastewater)

At the beginning of 2020, the City has \$22.5 million of outstanding debt and \$19.6 million of approved borrowing from previous years.

New debt of \$45.8 million is planned for future capital projects over the next ten years, which includes \$12.4 million in the 2020 budget submission. This is in-line with the LTFP.

The chart below illustrates the four-year (2020-2023) forecasted balance (shown in the millions) of long-term debt compared to the LTFP.

The budget submission includes borrowing for two capital projects:

- Arts and Culture Centre.....\$6,000,000
(2025 in LTFP)
- Nick Kaneb Drive Dr.....\$500,000

Borrowing for capital projects, such as the MW Yard Redevelopment and the Fire Services Headquarters, will occur in later years in comparison to the LTFP.

New/Changes to Reserves recommended for 2020

- Social Housing Regeneration Reserve
