I am writing to bring to your attention the issue of speeding vehicles and heavy trucks on Twelfth Street E, between Sydney and Ontario streets. Not only do these vehicles pose a serious safety hazard to pedestrians and other drivers, and to the Day Care, but they also create a significant noise nuisance for residents, and a potential structural risk to our homes.

As you may be aware, the speed limit in our neighborhood is frequently ignored by drivers, and the presence of heavy trucks has only exacerbated the problem. This has led to an increase in the number of near misses, in particular at the corner of Twelfth St. E and Gretchen Court.

Furthermore, the noise generated by these vehicles has become a significant source of disturbance for those who live in the area. This noise pollution can lead to health problems, sleep disturbances, and decreased quality of life for residents.

I/We the undersigned, Petition the Council of the City of Cornwall as follows:

We are urging the City Council to take action to address this issue by implementing measures such as the installation of STOP signs on Twelfth St. E at the intersection of Gretchen Court, increased enforcement of speed limits, and potentially restricting truck routes. We feel these measures will help to ensure the safety of our community and improve the overall quality of life for residents.
