Pursuant to the City's Corporate Policy on Temporary Street Closures for Special Events, organizations are responsible to provide written notice to all merchants and businesses within the geographical area of the suggested street closure with a copy of the proposed detour route. A copy of the letters dated April 24, 2024, are attached to this report.

Anyone having any objection to the Street Closure must file a written objection with the City Clerk within ten days of the date of the letter. No objections were received by the deadline of May 4, 2024.

The organization will be responsible to comply with the City's Corporate Policy on Temporary Street Closures for Special Events including notification, public advertisement, contacting the Cornwall Community Police Service, arrange for detour routes and temporary signage, commercial general liability insurance and indemnification. However, the Office of the City Clerk will assist in these endeavors.

## **Comments from Administration**

**Cornwall Transit:** Cornwall Transit will re-route the buses for the duration of the Temporary Street Closure.

**Emergency Services (Police/Fire/EMS):** It is imperative that a minimum lane width be maintained through the Temporary Street Closure in order to accommodate emergency vehicle traffic. Barriers must be staffed and easily moved in the event of an Emergency. Emergency parking must also be considered in the planning process.

## **Infrastructure and Municipal Works/Roads Division**

Municipal Works will provide signage/delineators for the closure

## **Human Services**

With consideration given to maintain access to the Glen Stor Dun Lodge, the Human Services Department has no objections.

## **Building and By-law Services**

Building and By-law Services have no objections.
