Sgt Lemire,

Thank you for your email. We are very appreciative that the committee is moving ahead with this event for another year. By all accounts it was very successful. I concur it was a great opportunity for team building as an organization. Consistent with last year, we as a Service will contribute \$1000 towards the event. I will also forward your request to the Board for their consideration at the June 19th meeting.

Thanks again!

Shawna Spowart

Subject: CPS golf 2025

Good morning,

As you may recall, during the summer of 2024, the Cornwall police association, the Senior Officers Association and the Cornwall police service board hosted a golf event for all members of the Cornwall police. The event was a great success, with seeing participation from over 50 members of our service coming together for a sun filled day of camaraderie.

For the 2025 golf season, our committee is looking to build on our successes and is in the planning stages of our annual event. The committee has secured the Heritage golf and country club on the 27th of September 2025 for our event. The new location will provide our group with the opportunity for a 'shotgun' start. Which means we will all start and end the golf round at the same time and allow time for a social gathering to finish the day. We intend to host the Golf, lunch and social gathering all at the facilities of Heritage.

We are making every attempt to keep the participation cost low, to ensure we make this event available to as many members as possible. As we did last year, we are seeking the financial support from the SOA and the Police

service board to facilitate this event. If the Police service board is able to support this event with a Five hundred (\$500) dollar donation, I am certain it would be greatly appreciated. The donation will be used towards offsetting the registration/green fees for the day.

With the above said, please consider this letter as a 'Save the date' for the Police service board members to join us at Heritage golf and country club on the 27th of September 2025. Formal invitations and registration forms will follow in the coming weeks.

If you have any questions or concerns, please let me know.

Thank you,

Organizing committee

Gary Lee
