

The Corporation of the City of Cornwall
Regular Meeting of Council
By-law Explanatory Note

Department: Infrastructure and Municipal Works
Division: Infrastructure Planning
Report Number: 2020-416-Infrastructure and Municipal Works
Prepared By: Enrique Kamm, Transportation Engineer
Meeting Date: December 14, 2020
Subject: Amendment to Traffic & Parking By-law 069-89, Schedule II,
Parking Restrictions on Julie Street

Purpose

To amend the Traffic & Parking by-law 069-89, Schedule II, Parking Restrictions on Julie Street

Background / Discussion

Following concerns about parking received from the residents, parking surveys were sent to the residents on Julie St.

Currently, there are no restrictions on Julie Street. When parking takes places on both sides of the street, this could pose safety issues for the safe passage of vehicles, in particular emergency response vehicles.

From all residents, 62% responded to the survey. The majority (81%) of the respondent residents, are in favour of the proposed parking restrictions.

As such, it is recommended that parking be prohibited on the west side of Julie St.
