Subject: Note – Medical Recruitment Assistance for Dr. Yu

Purpose

To provide Council with background information on Dr. Maggie Yongci Yu.

Background / Discussion

The City of Cornwall has a Medical Recruitment Team which, with the use of a medical recruitment fund, tries to attract new medical professionals, either being general practitioners or in specialty fields required in the community.

The Medical Recruitment Team was successful in recruiting Dr. Maggie Yongci Yu, a specialist in Internal Medicine and Palliative Care Medicine with post-graduate degrees from the University of Toronto and Queen's University, respectively.

Per a Medical Recruitment Agreement, funds are provided to cover relocation and business start up expenses incurred from moving, office setup, and staffing for the first 3 months. Expenses will be reimbursed up to a maximum of \$25,000.00. There are dollars in the 2021 Medical Recruitment budget to cover the cost.

In return, as per the Agreement, Dr. Yu must conduct a full-time medical practice in Cornwall, with privileges at the Cornwall Community Hospital and participate, in a relief capacity, in the CCH Hospitalist program for a minimum of three (3) years. Failure to do so will require repayment of the funds provided.
