Subject: Commemorative Lighting in Cornwall for WTD

[External E-mail]

CAUTION: This email originated from outside the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good Evening,

I am writing with a request on behalf of Girl Guides of Canada to see if there are any monuments/light displays (eg. city hall, led sign or bridge) in Cornwall that can be lit commemoratively in celebration of a non-for-profit event.

Annually on February 22, Girl Guides celebrate World Thinking Day, a day of international friendship. It is an opportunity to speak out on issues that affect girls and young women, celebrate the founding of Girl Guides, and be connected to the 10 million members around the world who are part of the Guiding movement. Landmarks across Canada from coast to coast will be participating by lighting up in "Guiding blue" this year. We would love for your city to participate in helping us shine our Guiding lights in support of girl empowerment!

More information on Girl Guides of Canada can be found at [girlguides.ca](http://girlguides.ca). More information on World Thinking Day, recognized by Girl Guides and Girl Scouts worldwide, can be found here: <https://www.waggs.org/en/what-we-do/world-thinking-day/>

Thank you for your consideration and I look forward to hearing from you!

Kind regards,  
Emma Colson
