

**The Corporation of the City of Cornwall
Environment and Climate Change Committee
Report**

Department: Infrastructure and Municipal Works
Division: Environment
Report Number: 2021-16-Infrastructure and Municipal Works
Prepared By: Carl Goodwin, Division Manager
Meeting Date: March 17, 2021
Subject: Tree Canopy and Natural Vegetation Protection Policy

Purpose

To receive the recently Council-approved Tree Canopy and Natural Vegetation Protection Policy.

Recommendation

That the Committee receive Report 2021-16-IMW for information purposes.

Background / Discussion

On October 26, 2021, Council approved the Tree Canopy and Natural Vegetation Protection Policy as presented and directed Administration to prepare a report to address the actionable items and recommendations of the Environment and Climate Change Committee.

Attached to this report is the Tree Canopy and Natural Vegetation Protection Policy as approved by Council and a copy of Report 2020-376-IMW that was presented to Council.

Under separate cover, the Committee is being requested to identify actionable items and recommendations as they relate to the Terms of Reference.
