

Community garden	shall mean communal premises open to community members and operated and maintained by a public authority, residents association, or a similar organization, for the small-scale cultivation of plants including vegetables, fruits, grains, flowers, or herbs for personal use, consumption, or donation, and not for commercial purposes.
Concession facility	shall mean a building, structure, or part thereof where food and/or refreshments are sold in conjunction with another use, either operated publicly or privately subject to a legal operating agreement with the municipality or other relevant government landowner.
Conference centre	shall mean a facility used primarily for training, meetings and conferences, or for large groups, and may include related uses such as recreational facilities, meeting rooms, lecture theatres, food operations, bars, and guest rooms which are used primarily in association with training, meetings, and conferences, but may be used by the general public from time to time.
Conservation uses	shall mean land used solely for the preservation, protection, and/or enhancement of the natural environment, and may include a conservation area, passive recreation, and buildings / structures related to protection against flood and erosion.
Continuum of care home	shall mean a building designed for and primarily occupied by senior citizens where care may be provided and may include a nursing home as well as accessory medical, recreational, and cafeteria facilities.

D

Day care centre	shall mean a facility where temporary care, protection, and supervision are provided to children or adults, but which shall not include overnight accommodation.
Development	shall mean the creation of a new lot, a change in land use, or the construction of buildings and structures requiring approval under the Planning Act and shall be taken to include redevelopment, but does not include activities that create or maintain infrastructure authorized under an environmental assessment process, works subject to the Drainage Act, or underground or surface mining of minerals or advanced exploration on mining lands.
