**Regular Meeting of Council**

Department: Corporate Services  
Division: Clerk's Division  
Report Number: 2022-04-Council Members  
Meeting Date: May 9, 2022  
Subject: Medical Scholarship Policy

---

Proposed by: Councillor Justin Towndale

Seconded by: Councillor Eric Bergeron

Whereas the Medical Scholarship Policy for the City of Cornwall limits applicants to Canadian students only; and

Whereas the same policy further limits applicants to permanent residents of Cornwall and SD&G; and

Whereas we have a continuing need for family practitioners, specialists, and other doctors; and

Whereas many qualified doctors train outside Canada and live outside of this immediate area.

Now therefore be it resolved that Council request Administration to prepare a report on the feasibility to strike a Task Force to review the current Medical Scholarship Policy and bring recommendations to Council for an updated policy.
